

LITMOS Online Learning Management System

LITMOS is CNCS' online learning management system. It contains dozens of interactive online courses for Senior Corps grantees. It also contains recordings of all live webinars offered by Senior Corps. Course topics include financial management, performance measurement, evidence-based programming, approaches to tutoring and mentoring, independent living, responding to the opioid epidemic and much more. To sign up for an account:

1. Visit this page in any web browser: <https://cncsonlinecourses.litmos.com/self-signup/>.
2. Enter the required information.
3. In the Code field, enter: SC-FGP if you represent a Foster Grandparent Program, SC-RSVP if you represent an RSVP Program or SC-SCP if you represent a Senior Companion Program.
4. Click "Register."
5. If you are affiliated with two different Senior Corps programs (for example, if your sponsor has both an RSVP Program and a Senior Companion Program), enter only one code at first. After you hit "Register" the first time, visit <https://cncsonlinecourses.litmos.com/self-signup/> again, fill out the form in full, and enter the code for the second program only. Use the same email address both times to avoid duplicating your account.
6. You're in! Consider taking a minute to view the Senior Corps LITMOS Orientation before moving on. You can come back at any time to explore more and take any courses that interest you.
