

# Present a Workshop—Proposals due June 15, 2023

The cornerstone of the Conference is its numerous and varied educational workshops. For many attendees, the Conference offers access to information and ideas that might not otherwise be available. We encourage proposals that take a fresh approach to familiar topics and those that introduce new ideas and concepts that are in-line with the Aging and Long-Term Services Department's Mission and Vision. New proposals will be given priority over those that may have been offered in the past. Proposals for sessions to be co-presented in Spanish, Diné, Tewa, Tiwa, Towa, Keres or other native languages are welcomed.

Interested presenters must submit a fillable proposal form that is found at <https://aging.nm.gov/news-events/conference-on-aging>. All presenters are welcome to attend Conference events on the day(s) of their workshop(s). A conference registration packet will be provided for all presenters.

***Presenters may not use workshops to promote businesses or political candidates or to sell products.***

## Workshops

Each workshop is scheduled for **fifty-five minutes** (approximately an hour).

**Workshops will be pre-recorded and must be completed for submission by August 1, 2023.**

## Theme

The theme for this year's conference is **"Re—acquaint...Re—Connect...Re—commit..."** Please consider this when you write your workshop proposals.
