

# Health and Aging, Training to Navigate Maps of Risks and Resources

This workshop will teach people how to become map explorers and use NMCDC's website to gather information about aging. It will feature our Gallery on Aging, which contains a large repository of datasets on aging. By the end of the session, participants will be able to easily navigate the website. Feel free to bring personal laptops if you wish to follow along.

**Tom Scharmen, MA, MPH**, is an Epidemiologist with the New Mexico Department of Health. He is the Founder and Lead Analyst for New Mexico Community Data Collaborative. **Joan Goldsworthy, MD**, is an Epidemiologist with the New Mexico Community Data Collaborative. **Emily McRae, BS**, is an Epidemiologist with the New Mexico Community Data Collaborative.

Dr. Goldsworthy's presentation on the New Mexico Community Data Collaborative was an interactive demo of the live website.

You can share these links with participants or post them as appropriate:
