

How to join the AND TIPS Conference Sessions

If you were unable to join the AND TIPS today, it may have been because you don't have the Microsoft Teams application.

If you don't have Teams, please do one of the following:

1. Download the Teams application: <https://www.microsoft.com/en-us/microsoft-365/microsoft-teams/download-app>
2. Use one of the following web browsers:
 - Edge
 - Chrome
 - Firefox
 - **NOTE: Safari is not supported. Please do NOT use Safari.**

After you have chosen option 1 or 2 (above), use the following links to join the AND TIPS conference:

- **Thursday Main Event:** <http://bit.ly/AND-TIPS-11-19-2020-Main-Event>
- **Thursday Alternate Event Link:** <http://bit.ly/AND-TIPS-11-19-2020-Alternate-Track>
- **Friday Main Event Link:** <http://bit.ly/AND-TIPS-11-20-2020>
- **TIP: If you are joining from a supported web browser, you can copy and paste each of the above links into your browser's address bar to join AND TIPS.**

Please review the following information prior to joining AND TIPS:

- If you need further help with how to join a Teams event, please visit Microsoft's instructions: <http://bit.ly/AND-TIPS-How-to-Join>
- **TIP: To ensure that you are successful in connecting to the AND TIPS events, please test the event links prior to their advertised start times.**
 - You can even test the links the day before!
 - If you are successful in connecting before an event's start date/time, you will see a message on screen that says, "The live event hasn't started"
